The outcomes from the Dialogues will be of use in developing the pathway to a healthier and hunger-free America. Each Dialogue will contribute in three distinct ways:

- Direct submission to the White House in advance of the Conference on Hunger, Nutrition, and Health (for events and feedback received prior to the July 15th deadline)
- Published as public facing and searchable documents on the Good Food Dialogues website
- Rolled into a final report that synthesizes the feedback, ideas, and challenges shared throughout all the Good Food Dialogues. This report will not only be submitted to the White House but will also be used to inform a movement for change well beyond the White House Conference.
