DIALOGUE TITLE	Good Food Dialogues: Nutritious Food Access in Pittsburgh Feedback Session
CONVENED BY	Urban League of Greater Pittsburgh
GEOGRAPHICAL FOCUS	State or Territory Pennsylvania
DIALOGUE EVENT PAGE	https://goodfooddialogues.com/dialogue/51922/

The outcomes from the Dialogues will be of use in developing the pathway to a healthier and hunger-free America. Each Dialogue will contribute in three distinct ways:

- Direct submission to the White House in advance of the Conference on Hunger, Nutrition, and Health (for events and feedback received prior to the July 15th deadline)
- Published as public facing and searchable documents on the Good Food Dialogues website
- Rolled into a final report that synthesizes the feedback, ideas, and challenges shared throughout all the Good Food Dialogues. This report will not only be submitted to the White House but will also be used to inform a movement for change well beyond the White House Conference.

4. DIALOGUE FOCUS & OUTCOMES

MAJOR FOCUS

Implementing Feeding Neighbors program

* Offering financial assistance at local farmer's markets in order to help people interact with their community and allow them to experience an assistance program without compromising their dignity.

Struggles: Funding, state-level advocacy, funds to transport people to the farmer's market if they are unable to transport themselves

Local struggles that participants are recognizing

- The intersection of lack of access and education
- What "healthy" actually means, seems to be subjective and shifts based on who is describing it

WHITE HOUSE CONFERENCE PILLARS

2. Integrate nutrition and health
3. Empower all consumers to make and have access to healthy choices

- * Plant-based is the best diet for many
- * Limiting dairy and meats
- * Incentivize physicians to embed nutritionists in doctor's offices
- * Food insecurity screenings in doctor's offices + allowing doctor's office to be food pick up location
- * The government should incentivize the solutions and disincentivize people having to trade their dignity for food access
